

Good day,

NL is interested in supporting the NG's attached request to extend the early planning phase of the IAAC process to provide additional time to work on and issue collaborative EIS /TIS guidelines for the Torngat Strange Lake project.

Thanks,

Joanne

Subject: NG request for extension for planning phase - Torngat Metals

Good afternoon,

Please see the attached letter from the NG requesting an extension to the planning phase of the IAAC process related to the Torngat Metals project.

Thanks,

-Rodd
